

What Technical Assistance (TA) Is Available?

The Culturally Specific Services Program (CSSP) TA Providers offer consultation to help grantees and other TA Providers successfully implement their grant objectives. TA can be provided via phone, email, webinar, conferences, customized training, one-to-one consultation, and on-site assistance. TA will be customized to fit the individual needs of each grantee/organization and may include support on the following topics:

national
latin@
network

casa de esperanza
