# S.C. # 31: Technical Assistance

## Funds-Allocation and Prior

### Approval

Funds allocated for OVW-sponsored technical assistance may not be used for any other purpose **without prior approval by OVW**.

To request approval, grantees must submit a Program Office Approval Grant Adjustment Notice (GAN) via the Grants Management System (GMS). The grantee must include a copy of the event's brochure, curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs should be attached to the GAN. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. **Approval to attend non-OVW sponsored events will be considered on a case-by-case basis.** This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay an outside consultant or contractor to develop training.

## S.C. # 34: Consultant Rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. **Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates**

## S.C. # 35: Submission of Written Materials

The recipient agrees to submit one copy of all required reports and **any other written materials or products that are funded under the project to OVW not less than twenty (20) days prior to public release.** If the written material is found to be outside the scope of the program, or in some way to compromise victim safety, it will need to be revised to address these concerns or the grantee will not be allowed to use project funds to support the further development or distribution of the materials.

## S.C. # 36: OVW Publication Disclaimer

All materials and publications (written, visual, or sound) resulting from award activities shall contain the following statements:

"This project was supported by Grant No. \_\_\_\_\_ awarded by the Office on Violence Against Women, U.S. Department of Justice.
